**European Circus Youth Camp 28/7 – 4/8/2019**

For young people aged between 14 and 20 — in Gschwend near Stuttgart, Germany

# European Circus Youth Camp 2019

## WHAT ARE YOU DOING IN THE HOLIDAYS?

- are you a member of a kids or youth circus?
- are you aged between 14 and 20?
- would you like to learn something new?
- would you like to be trained by professional circus trainers and artists?
- are you interested in training as a young circus training leader yourself and obtaining certification for the modules you complete?
- would you like to meet and get to know other circus fans?
- looking for fun and action?

## CONCEPT

Professional circus teachers and artists will train young circus fans from all over Europe in two different circus disciplines. Meet and exchange with others, have fun and get in on the action — that's the name of the game.

## ORDER OF EVENTS

- Introduction to the training opportunities
- Choose two circus disciplines or training sessions
- five training sessions per discipline
- Open stage, street performance, gala performance
- Get to know others, free training, swimming, disco, campfire, open-air cinema, fun and leisure time
- certified modules or confirmation of participation

## ACCOMMODATION

Participants will live and train in the 20 tents in the Pimparello circus town with a total area of over 2,000 square metres.

## COST FOR PARTICIPANTS

The cost for each participant, including training, accommodation and catering, is 245 euros (sponsoring members, first child: 210 euros, each further sibling: 175 euros.)

## QUALIFICATION AS A YOUTH CIRCUS TRAINER

You have the choice between MODULES 1a/1b (pedagogical and didactic foundations of circus performance) and MODULES 2a/2b (extensive practice of circus disciplines: juggling, balancing, acrobatics and air acrobatics).

## MODULE CERTIFICATION

The Regional Association for Circus Performance of Baden-Württemberg (LAG Zirkuskünste BW, Landesarbeitsgemeinschaft Zirkuskünste Baden-Württemberg) and the Federal Association for Circus Pedagogy (BAG Zirkuspädagogik, Bundesarbeitsgemeinschaft Zirkuspädagogik) have developed a training system designed for the "qualification of young people as youth circus trainer". This training system represents the standards set for Germany and Europe.

The module certification confirms that the professional training has been received for the module. The modules build on each other. This means that it is only possible to complete the MODULES 2a/2b if you have already done the MODULES 1a/1b. Rather than a module certificate, all participants who do not want to take part in the qualification process will receive a certificate of confirmation of participation for all the courses he or she completes.

## LOCATION AND GETTING THERE

The CircArtive site is located in the town of Gschwend, postcode 74417, 50 kilometres east of Stuttgart. Participants must make their own way there. We do offer transfers from the train station, "Schwäbisch Gmünd".
